theuncgroup.com

Organizations partner with UNC when...

They need it yesterday.

- 81% of orders are shipped same day
- Pre-stage orders to meet your customers deadlines
- Quotes turned around in 30 minutes or less
- 1,000s of SKUs always in stock
- Lenient drop ship policy and no MOQ
- Flexible shipping options to expedite fulfillment

Facing challenges with current vendor's level of service.

- Excessive delays in getting quotes
- Frustrated with current vendor mis-ships
- Sales reps only reach out when they're trying to sell something
- Billing nightmares and invoicing issues
- Current vendor out of stock on popular items

They need a partner that solves their problems, and solves their customer's problems.

- Offering solutions for products difficult to obtain
- Providing cabling expertise to all partners regardless of their level
- Provide cost effective partnership that enables our customers to win more business while increasing margins
- We're in this together because we understand your customers needs
